

Experts in lightability™

## ROUGHGUARD

Vandal-resistant linear LED luminaire

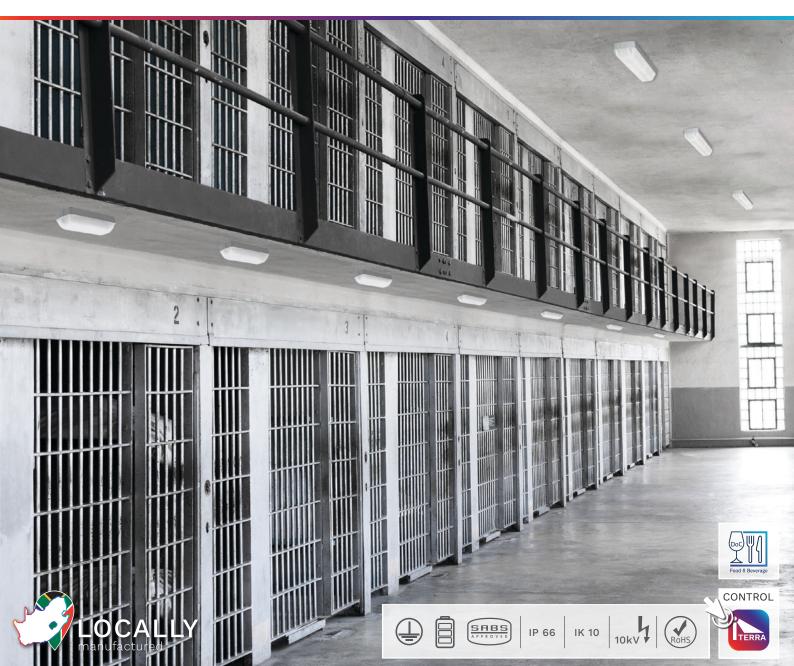

1ft version - opaque diffuser

2ft version - opaque diffuser

2ft version - clear diffuser

## Key advantages

- · Designed and manufactured in South Africa
- · Vandal proof
- Available in two sizes for applications flexibility
- · Available in a battery back-up version
- Designed to operate LED light sources of up to 52W in an ambient temperature (Tq) environment of up to 35°C, without reducing the useful lifetime of up to 50 000 hours, at a lumen depreciation of not more than 30% (L70B10)
- Corrosion-resistant high-pressure die-cast aluminium body
- · One-piece injection-moulded clear polycarbonate diffuser
- · Removable gear tray for ease of maintenance
- 3-year warranty (Terms and conditions apply)

## Characteristics

## GENERAL INFORMATION

| Testing standard                 | SANS 60598, SANS 62262   |  |
|----------------------------------|--|--|
| Housing                          | Marine grade high-pressure die-cast aluminium (EN 1706 AC-44300) |  |
| Diffuser                         | Polycarbonate  |  |
| Housing finish                   | Pearl Light Grey (RAL 9022), Textured finish                     |  |
| Standard mounting                | Drill positions or bracket mounting                              |  |
| Nominal voltage                  | 198-277V – 50Hz  |  |
| Surge protection                 | 10kV / 10kA  |  |
| Operating temperature range (Ta) | Standard version: -35°C up to +40°C                              | Battery back-up version: -35°C up to +40°C |
|                                  |  |  |

| ROUGHGUARD                      | 1ft                       | 2ft                                  |  |
|---------------------------------|---------------------------|--------------------------------------|--|
| Wattage (up to)                 | 15W                       | 52W                                  |  |
| Nominal flux (up to)            | 2,050lm                   | 8,447lm                              |  |
| Luminaire output flux (up to)   | 1,635lm                   | 7,349lm                              |  |
| Luminaire efficacy (up to)      | 109lm/W                   | 141lm/W                              |  |
| Colour temperature              | `                         | 4000K (Neutral white 840)<br>CRI ≥80 |  |
| Lifetime of the LEDs @Tq 25°C   | 50,000                    | 50,000h - L70B10                     |  |
| Lifetime of the Driver @Tq 25°C | 90,000h ≤10% failure rate |                                      |  |
